

ARRIVAL CHECKLIST

CHECKING IN

- Upon arrival, locate the check in lane
- Park where noted at the registration office
- Shut off the vehicle
- Grab wallet, documents, & license plate #
- At check-in, ask about available discounts
- Confirm the site assigned will fit your rig
- Ask for the best path to the campsite
- Receive campground pamphlet/info
- Late arrival, find after-hours instructions
- Once checked-in, drive slowly to the site
- Check the path to the site if in doubt
- Unhook the towable, if needed

AT THE SITE

- Locate the assigned site number
- Do a walk around and a campsite check
- Ensure the site is level and clear
- Back-in or pull-in with a person outside
- Confirm the position of the RV
- Adjust the unit placement, if needed

UNHITCHING (TRAILERS)

- Put leveling blocks down
- Chock the tires
- Disconnect trailer from tow vehicle
